

I want to run, I want to hide
I wanna tear down the walls that hold me
inside
I wanna reach out and touch the flame
Where the streets have no name, ha, ha, ha
I wanna feel sunlight on my face
I see that dust cloud disappear without a trace
I wanna take shelter from the poison rain
Where the streets have no name, oh, oh
Where the streets have no name
Where the streets have no name
We're still building then burning down love
Burning down love
And when I go there, I go there with you
It's all I can do
The city's a flood
And our love turns to rust
We're beaten and blown by the wind
Trampled in dust

I'll show you a place
High on the desert plain, yeah
Where the streets have no name, oh, oh
Where the streets have no name
Where the streets have no name
We're still building then burning down love
Burning down love
And when I go there, I go there with you
It's all I can do
Our love turns to rust
We're beaten and blown by the wind
Blown by the wind
Oh, and I see love
See our love turn to rust
Oh, we're beaten and blown by the wind
Blown by the wind
Oh, when I go there
I go there with you
It's all I can do
